

Tribute to Ruth Smith

6th Sept 1926 – 31st Dec 2022

Ruth moved to the village of Clavering in 1969 with her family of 6 which soon became 8, and she lived here until 1998 when she moved into Saffron Walden. She was partly responsible (along with others) for starting Clavering tennis club in 1976 of which she was very proud and remained an active playing honorary member until she broke her elbow 4 years ago at the age of 92. One of the many reasons why I think she managed to play for so long was that she had been a lifelong physiotherapist and knew how to look after herself so well. She will be greatly missed by all those who knew her and her family and friends.

Ruths 90th Birthday Celebration
